Robogals

Position Vacancy

Chief Technical Officer

Robogals Global

About Robogals

Robogals is an international, not-for-profit organisation that aims to inspire, engage and empower young women into engineering and related fields. This is achieved through fun and educational initiatives aimed at girls in primary and secondary school. Since its inception in 2008, Robogals has engaged over 110,000 girls around the world.

02

ROLE DESCRIPTION

The Role

Robogals is seeking a bright individual as the new global Chief Technical Officer (CTO) to support and grow the technical aspects of the organisation. A successful candidate possesses a strong programming and/or technical background and your values should align with Robogals organisational goals (see https://robogals.org/about/about-us/). The role will involve overseeing all technical aspects of the organisation which will include maintaining current systems and developing new tools within the organisation to improve current processes.

The CTO reports to the Chief Operations Officer (COO) and is responsible for:

- Managing a geographically dispersed technical team
- Leading and creating the technology strategy for the organisation including scoping and delegating to the team
- Updating the leadership team on current events happening in the technical team
- Answer any technical questions from the organization
- Make sure that any critical technical issues get resolved as soon as possible

Required Skills

- Have used or know of agile product development
- Have strong working knowledge of github
- Demonstrate strong project management skills through previous leadership roles
- Possess a strong technical background

Nice to Have:
- A strong programming background including familiarity with django, python and php
- Up-to-date with the newest technologies to develop and grow Robogals in the tech space

03

ROLE DESCRIPTION

Skill Building & Time Commitments

- This is a voluntary role and there will be no monetary reimbursement for your time.
- Experience working in a growing international organisation and the opportunity to make a significant impact on women in engineering
- Opportunity to improve your soft skills and leadership experience in a team environment
- Opportunity to attend the annual Robogals SINE conferences in 3 regions - APAC, EMEA, NA
- You must be willing to commit to up to 10 hours per week to this role

How to Apply

To apply, please email Emily Qiao at emily.qiao@robogals.org

With the following:

- A paragraph outlining why you are applying for this role
- A paragraph describing why you would be good at this role, including relevant experience
- Your CV (max 2 pages)

Roles in Robogals are not restricted, everyone is welcome to apply.

Please don't hesitate to address all questions to Emily Qiao at emily.qiao@robogals.org
